#### LORIMER OPERATED ON

Former U. S. Senator William Lorimer was operated on for appendicitis by Dr. Arthur Dean Bevan at the Presbyterian Hospital at 9:40 o'clock this morning.

When the incision was made a complicated appendix lesion was found and the appendix removed.

Lorimer is now resting easily and is on the high-road to recover.

Lorimer was stricken with appendicitis while he was planning a trip through the state to explain to the people his stand in the fight which ended in his expulsion from the Senate.
